Without [PAVE] I don’t know if I would’ve had that confidence to go after the current job I have, whereas I might’ve settled for something less just because of the stigma that surrounds disabled employment.

— Bobby Fecteau
U.S. Army veteran, PVA member

PAVE literally saved my life. They came into my life when I was about to lose everything. I was working part-time, but I was not able to make ends meet. The paid training program led to a full-time position and ultimately to the position I have now.

U.S. Marine Corps veteran
