

EMPLOYMENT SUPPORT

when and where it matters.

Our virtual engagement initiative reaches veterans who do not have the time, means, or ability to attend traditional employment or educational events.

Paving Access for Veterans Employment

PAVE Connect bridges a critical gap for underserved veterans.

With PAVE Connect, veterans can:

- Interact with PAVE staff and other experts through virtual meetings.
- Access a library of timely, relevant career information – on their schedule and from any device.
- View recorded presentations and other tools and resources on demand.
- Discover a wide range of meaningful education, volunteer, and employment opportunities.
- Meet companies and organizations eager to hire from the military and veteran community.
- Contact PAVE for one-on-one support.

Partner for Life

Paralyzed Veterans of America's employment program, PAVE, provides FREE employment support and vocational counseling assistance to ALL veterans, transitioning service members, spouses, and caregivers.

PAVE is committed to helping the overlooked, underserved, and undervalued veteran workforce – including those with catastrophic injury or illness, female and minority veterans, and post-9/11 service members. Leveraging a high-touch approach, our employment analysts and vocational rehabilitation counselors work with clients to overcome barriers to employment at all stages.

We are a partner for life.
