Without [PVA’s Veterans Career Program] I don’t know if I would’ve had that confidence to go after the current job I have, whereas I might’ve settled for something less just because of the stigma that surrounds disabled employment.

U.S. Army Veteran, PVA member

The Veterans Career Program literally saved my life. They came into my life when I was about to lose everything. I was working part-time, but I was not able to make ends meet. The paid training program led to a full-time position and ultimately to the position I have now.
